CAAIIUC News Bulletin

Greetings from CAAIIUC!

The following works have been carried out by CAAIIUC in the North and South Phase of Ambattur Industrial Estate, which we would like to share with our member units.

1. Rectification of Leak in Sewer pipe line, Flange replacement on 3rd main road North Phase.

2. 3 No's of Street Light Panel boards have been replaced on Aavin Diary road , we have raised the height of the new panel boards to a considerable extent so as to prevent damages due to flood and Inundation.

3. During Lockdown we have cleared the entire Sewer main lines in both South & North Phase.

4. Revamping of 3MLD & 2MLD Sewage Treatment Plant in progress. In 2MLD all the corroded pipe lines & Infrastructure are being repaired and also two Air Blowers being serviced. In 3MLD Clarifier Painting and Tube Settler media changed.

5. Street Light Painting work Continues in South Phase, we have painted almost 300 light poles.

6. New Sewer work done at SMF 14th Street Sector 1 South Phase.

7. Damaged Street light poles being removed reworked & fitted in both South & North Phase, Meanwhile foundations also being laid for missing street light poles.

8. Street light cable laying work carried out in Aavin Diary road North phase.

9. We have Commenced De-Silting of Storm Water Drains to prevent any Flooding during forthcoming monsoon.

With regards,

K.DHAVAMANI
CHAIRMAN
